All participants who bring in \$25 or more will receive
one free official BYC Walk for Small Animals T-shirt.

Proceeds

Your contribution will be used to provide the spay/neuter
of each animal, as well as veterinary care, food and other
items needed to care for the animals while in foster care.

Under 14

Walkers under 14 years of age must be accompanied
by an adult.

Dog Owners

Your canine friends are welcome. All animals must
have current vaccinations, including rabies.

Please be prepared to show **current rabies tag**
to a BYC representative.

Park regulations require that pets be leashed (not to
exceed 6') and under control at all times. You'll need to
clean up after your pal (cleanup bags will be provided).
Water will be provided on the walk route for people
and pets. Do not bring female animals in season.
Puppies must be at least six months of age.

Ticks should not be a problem if your pet stays on the
sidewalk. However, you may wish to take preventative
action beforehand.

Cat Owners

We are sorry we cannot include the cats themselves,
as BYC advocates that cats be kept indoors.
