## 6th Annual Franklin Fund Basket Raffle

### About the Franklin Fund:

Because You Care's Franklin Fund supports severely injured or ill animals who have been abandoned and who are in need of in-depth veterinary care in order to survive. The fund has helped dozens of animals since its inception – animals who had been so abused, neglected or injured that the cost to rehabilitate them exceeded what most organizations would be willing to fund.

The Franklin Fund has helped reverse these once-tragic cases, and the animals who have benefited from the fund are now in loving homes, living healthy, happy lives.

This basket raffle is one of the main fundraisers that supports this fund. It's raised more than \$10,000 over the past five years. All of it has been used for the benefit of animals. It's also been a favorite among BYC members and the community.
