Dog Owners

Your canine friends are
welcome. All animals must
have current vaccinations,
including rabies.

Please be prepared to show **current
rabies tag** to a BYC representative.

Park regulations require that pets be leashed
(not to exceed 6') and under control at all
times. You'll need to clean up after your pal
(cleanup bags will be provided). Water will be
provided on the walk route for people and
pets. Do not bring female animals in season.
Puppies must be at least six months of age.

Ticks should not be a problem if your pet
stays on the road. However, you may wish
to take preventative action beforehand.

Cat Owners

We are sorry we cannot include the cats
themselves, as BYC advocates that cats
be kept indoors.
